

BUILD THE FUTURE: MODERNIZE YOUR SUPPLY CHAIN

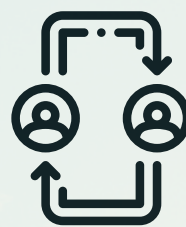

RESILIENT

Build systems to quickly respond to supply chain disruptions

61%

companies are retraining their workforce to master new digital technologies

80%

businesses prioritizing sustainability, embracing circular economies

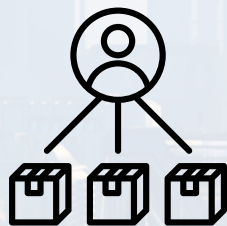

VISIBILITY

Gain real-time visibility across supply chains

SUPPLIERS

Expand core supplier base in number and to multiple regions

BY 2035

Nearly half of all supply chains are expected to be autonomous, using automation & drones

Modern supply chains need a strategic approach, investing in technology, workforce development, and rethinking supply chain models to enhance efficiency, visibility, and resilience.
